INTENT TO RETURN 2022/2023

Students at TLA are automatically re-registered each year, and priority for any vacant classroom spaces is assigned to children from current TLA families. Registrations and interviews for the upcoming academic year have begun and so we need our current families to make their intent to return known. We also need to know if you intend to register any additional family members, and also if any of your children who are presently at TLA will *not* return. This information should be submitted no later than Monday, January 31, 2022.

NAME OF FAMILY: _____ PHONE: _____

Please fill in the first names of your children now attending TLA, and check the appropriate column.

STUDENT NAME	Returning	Not Returning	Uncertain*

* All students who have been marked "Uncertain" will be considered "Not Returning" if families have not informed us otherwise by March 4, and their spaces will then be made available to new applicants.

Do you have additional children to enrol for the 2022/2023 school year? If so, please indicate below:**

Name: _____ Grade in September, 2022: _____

Name: _____ Grade in September, 2022: _____

[** A new, separate application is required; please obtain this from the school office.]

Signature: _____ Date: _____

Please return this form to the office by Monday, January 31, 2022.

Sent: January 21, 2022
