❄️ Snow Closure Procedure ❄️

The weather forecast indicates that we may expect snow in the immediate future – maybe even this evening! Should it be apparent that driving conditions are too hazardous to permit students and staff to travel safely to school, a school closure will be announced *after* 7:00 AM on the school answering machine. A notice will be sent via email from our website to all those who have signed up to receive notifications in that way. **Now would be a good time to get this into place for those who are not yet connected: go to traditionallearning.com and click on, “Subscribe to Our Newsletter!”**

If there is no school closure announced, school will take place for those students in attendance this week.

Please do not call the school prior to 7:00 AM as the line must be kept clear in order to place the appropriate message on the school’s machine.
