

BC Roman Catholic Challenge 2024

September 17, 2024

Dear RC Challenge School Coaches and Principals,

The 2024 RC Challenge season is upon us. We are pleased to announce that the first of our competitions, the Sister Mary John Morriss Invitational will be held Saturday October 26, at Our Lady of the Assumption School in Port Coquitlam, and the second, the Monsignor Donald Neumann Championship on Saturday November 23, at St. St. Anthony of Padua School in Vancouver. We take this opportunity to thank the coaches and principals, as well as the school communities at large of both Our Lady of the Assumption and of St. Anthony of Padua for hosting this year's competitions.

Oregon RC Challenge information may be found at:

<http://www.romancatholicchallenge.com/>

Open to students in grades five through twelve, RC Challenge is a unique combination of 16th Century Jesuit pedagogy and the television show "Jeopardy" where students compete in a fast-paced, animated format to demonstrate their knowledge of the Faith, and where they, their peers, parents, coaches, and teachers can rediscover a rich and extensive body of Catholic knowledge. Our contest aims to foster the pursuit of knowledge of the Catholic Faith in students, teachers, and parents. Teams from Catholic Schools, PREP programs, home school, and youth groups are invited once again to take up the call to compete in this action-packed arena. Study Guides may be found at: <http://traditionallearning.com/rcchallenge/> Please note that Division 2 has been divided into grade seven only and grade seven *and/or* eight categories. This was in consideration for elementary schools which do not have grade eight students, as well as for those who want to bring back some alumni students in grade eight to play, as well as high schools with only grade eight students. As with all divisions, we require three teams to enter a division for that division to compete in any competition.

2024 Team Divisions:

Division 1: Grades 5 & 6

Division 2: Grade 7

Division 2A: Grade 7 &/OR 8

Division 3: Grades 9 & 10

Division 4: Grades 11 & 12

(A minimum of three teams is necessary for a division's competitions to take place.)

A complete guide to setting up the competition will be forwarded to the schools who host, to facilitate the process. Host schools are reminded that they do not have to pay any registration fees for that competition, so it is a good chance to enter several teams!

Please see the Registration Forms accompanying this letter. You may also find registration forms for the 2024 season at: www.traditionallearning.com/RCC

Sincerely,

Martin Dale

BC RC Challenge
